Proceeds to be used to upgrade the 3D Mammography at Sanford Vermillion.

Have you renewed your 2020 Dakota Hospital Foundation Membership?

Your generous giving throughout the year helps fund projects at Sanford Vermillion and other health and wellness initiatives throughout the community.

Our current campaign project is the purchase of a 3D Mammography machine.

Renew your membership online at dakotahospitalfoundation.org

Because of you, DHF is able to do so much good.

Thank you!

Greetings from the Dakota Hospital Foundation Board of Directors.

It is apparent this has been an unusual year, but we have certainly adapted. Our Facebook page and website are live and offers much information about our foundation as well as allowing our members to join or renew online. Since the COVID-19 pandemic, these platforms have been very helpful to allow us to maintain contact with our community.

We are excited to announce that the Sheri Ellis Memorial Golf Social raised over \$17,000! What a great turnout with 29 teams, everyone had fun, even with the adaptations we made due to the pandemic. We continue to discuss how we can engage new opportunities with our community in the coming months – stay tuned!

The Foundation purchased a portable ultrasound unit for the emergency department, also to include funding for our medical staff training. This was a \$75,000 project.

Looking forward, we have much to be optimistic about. We welcome Dr. Jacob Quail, who is returning to South Dakota to join the medical staff after a career as a Navy surgeon. We say farewell to Dr. Fernando Escobar and appreciate his years of service with us.

We have a community grant awards opportunity coming up in October. We look forward to the innovative ideas, which fall into the three focus areas: Clinical Innovation, Health Care Education, and Quality of Life. Information is provided on our website.

Please take a moment to look over our website at www.dakotahospitalfoundation.org and learn more about our activities and take the opportunity to renew your membership. I am confident that you will find that it is very convenient to renew that way, I did.

Stay safe,
Andy Howe, Vice President

Portable ultrasound equipment medical staff training

Gratitude to Dakota Hospital Foundation 2020 donors to date
"We can't do it without you!"
