

William Dendinger Family Medicine Scholarship

Purpose: The endowment shall provide a scholarship for a medical student accepted into a Family Medicine Residency Program and currently enrolled at the University of South Dakota Sanford School of Medicine. When possible a non-traditional student from a rural South Dakota community should be considered as a reflection of Dr. William Dendinger's career path.

Award: One scholarship will be awarded annually. Recipients shall be recommended to the Dakota Hospital Foundation by the Sanford School of Medicine, Department of Family Medicine.

Other details:

- ◆ Recipients are **required** to attend the Dakota Hospital Foundation Leadership Awards Dinner held annually in May (May 21, 2020).
- ◆ Notification of recommendations shall be received annually no later than April 20, 2020.
- ◆ Notification of recommendations shall be sent to:
